New Jersey Tercentenary 1664 - 1964 For Three Centuries People - Purpose - Progress

FOREWORD

The year 1964 marks the three hundredth anniversary of the history of New Jersey. Not least in the endeavors of this great state is its achievement in the field of education. From colonial times to the present day our state has been dedicated to the betterment of its citizens and to the advance of culture and learning. As a part of that great forward movement in development and growth it seems fitting and proper that as citizens of tomorrow we too join the nation in the salute to New Jersey.

Miss Gladys Friedman

To Miss Appel and Miss Friedman, we the class of 1964 wish to dedicate this yearbook. As librarians of Clinton Place you have given of your services to each and everyone of us. In this small way we wish to express our appreciation for your never failing interest in our needs and problems. We are grateful for your help and understanding and shall always remember your wisdom and kindness.

Miss Roda Appel

DEDICATION

ADMINISTRATION

Dear Seniors:

You have successfully completed the first step in your educational careers. Your school has provided you a rich and varied program suited to the needs of young adolescents. Your teachers, counselors, and parents have assisted and guided you. They have helped you develop your strengths and overcome your weaknesses. Your efforts have brought you reward.

But this is only the beginning. Your adult world will demand highly skilled and dedicated workers. Your future will only be as happy and successful as you make it. Now is the time to get as much learning as possible, to grow in self respect and respect for others, to become fine mature American citizens.

The future is yours. I am proud to have been your principal.

Sincerely,

Alexandra S. D'Alessandro

Dear Graduates:

This year our great and proud state is celebrating its tercentenary- 300 years of growth and achievement. In the newspapers and magazines, on television and on radio, you will see and hear of the many accomplishments of her citizens over that long period of time.

This year also marks your graduation from junior high school. This means you have successfully passed the three grades and have a Diploma to prove it. Consider for a moment what growth and achievement you have accomplished. Did you learn to study and get good grades? Have you learned self-discipline and taken a giant step toward maturity? Have you learned to respect all people--public and private property--authority? If you have made real gains in these matters you can be proud of yourselves.

However, remember that another word for graduation is commencement, which means, a beginning. So your graduation means you have made a good beginning. May you continue to grow in knowledge and wisdom!

Sincerely,

ANTHONY G. COPPOLA

THINGS

REMEMBERED

CLASS HISTORY OF 1964

In a few days we will reach the climax of our three years in junior high school. In front of our proud parents we will receive our diplomas as graduates of Clinton Place.

It seems only yesterday that we entered as wide-eyed, awkward seventh graders. We were amazed at the beauty and vastness of Clinton Place.

For the first few days we were lost. Some of us headed for the cafeteria, found ourselves in the boys' or girls' gym. Once we found our way around, we were faced with new problems such as walking in a single file, keeping our own books and having a locker. To help relieve our problems, the faculty handed out Student Hand Books. However, despite our bewilderment there was a lot of pleasure in being at Clinton Place.

The librarians, Miss Appel and Miss Friedman, have always been helpful and patient with us. Through their guidance we have learned how to find the books and information that we needed for our classwork and for our own personal enjoyment.

We remember the thrills of making new friends and meeting new classmates. It was then we realized that we had only three more years to go.

We enjoyed participating in the variety of outside activities that our school offered. Our favorite was going to the sports events. In basketball we grieved over our loss to Broadway and West Kinney this year, but our victories over Webster, Madison, and East Side brought back our old self-confidence. The basketball games between the faculty and students have always left ninth graders frustrated, but we are hoping for better luck next year.

Remember the Valentine Hop this past February. There was plenty to eat and drink and entertainment for everyone. In the dancing contests, Evelyn Monk and Alfred Malloy received the prize for doing the Monkey. Arminta Hawkins and Ronald Coleman were the recipients of the slow dance prize. The winners of the Uncle Willie contest were Marlene Walkins and Lewis Harris. This Valentine Hop is a dance that our class shall always remember.

Our class history would not be complete without mentioning the Christmas concert and the Spring Show. At the concert, we enjoyed the Christmas carols sung by the junior and senior choruses and the readings done by Erla Wasserberger and Marilyn Barthrop. Our school orchestra also made us very proud of its performance that day. The talented performers were unable to make the wonderful Christmas dance that was given in conjunction with the concert, but they had their own dance in the gym later.

The most outstanding feature of the Spring Show was the musical play entitled "Meet Mr. Prescott." It was in this play that Martin Zevin, Cynthia Coburger, Nancy Matol, Charles Hazzard, and Diane Chertok made their debut. Such activities as these have been spread over the entire three years that we have been here.

Our class shall always remember that fortunate day when the water pipes burst and all students had to go home. Neither shall we forget the day the heater burst and we had to keep our coats on in class. After graduation, we will have collected many precious and fond memories such as these.

We are fortunate to have a wonderful principal, vice-principal, and a first-rate faculty; but it is classes like ours that make Clinton Place what it really is.

Nestled in Newark on a busy street,
Stands a school that can't be beat.
Clinton Place the name rings loud
Among the students who are so proud.

Chorus

Clinton Place Oh Clinton Place,
Your banners raised on high,
We sing to you a song of praise;
Your name will never die.

Beautiful things all make our school,
One huge diamond a precious jewel.
We're thankful for this place to learn
For in our hearts great pride will burn.
